Drug Name: YERVOY

How should I use this medicine?

This medicine is for infusion into a vein. It is given by a health care professional in a hospital or clinic setting. A special MedGuide will be given to you before each treatment. Be sure to read this information carefully each time. Talk to your pediatrician regarding the use of this medicine in children. While this drug may be prescribed for children as young as 12 years for selected conditions, precautions do apply.

Overdosage: If you think you have taken too much of this medicine contact a poison control center or emergency room at once. NOTE: This medicine is only for you. Do not share this medicine with others.

Where should I keep my medicine?

This drug is given in a hospital or clinic and will not be stored at home.

NOTE: This sheet is a summary. It may not cover all possible information. If you have questions about this medicine, talk to your doctor, pharmacist, or health care provider.

What side effects may I notice from receiving this medicine?

Side effects that you should report to your doctor or health care professional as soon as possible: allergic reactions like skin rash, itching or hives, swelling of the face, lips, or tongue; black, tarry stools; bloody or watery diarrhea; changes in vision; dizziness; eye pain; fast, irregular heartbeat; feeling anxious; feeling faint or lightheaded, falls; nausea, vomiting; pain, tingling, numbness in the hands or feet; redness, blistering, peeling or loosening of the skin, including inside the mouth; signs and symptoms of liver injury like dark yellow or brown urine; general ill feeling or flu-like symptoms; light-colored stools; loss of appetite; nausea; right upper belly pain; unusually weak or tired; yellowing of the eyes or skin; unusual bleeding or bruising. Side effects that usually do not require medical attention (report to your doctor or health care professional if they continue or are bothersome): headache; loss of appetite; trouble sleeping.

This list may not describe all possible side effects. Call your doctor for medical advice about side effects. You may report side effects to FDA at 1-800-FDA-1088.
