Drug Name: CADUET

How should I use this medicine?

Take this medicine by mouth with a glass of water. Follow the directions on the prescription label. You can take the tablets with or without food. Do not change the amount of grapefruit juice you drink from day to day while taking this drug, or avoid grapefruit juice altogether. Take your doses at regular intervals. Do not take your medicine more often than directed. Do not suddenly stop taking this medicine. Ask your doctor or health care professional how you can gradually reduce the dose. Talk to your pediatrician regarding the use of this medicine in children. Special care may be needed.

Overdosage: If you think you have taken too much of this medicine contact a poison control center or emergency room at once.
NOTE: This medicine is only for you. Do not share this medicine with others.

Where should I keep my medicine?

Keep out of the reach of children. Store at room temperature between 15 and 30 degrees C (59 and 86 degrees F). Throw away any unused medicine after the expiration date.

NOTE: This sheet is a summary. It may not cover all possible information. If you have questions about this medicine, talk to your doctor, pharmacist, or health care provider.

What side effects may I notice from receiving this medicine?

Side effects that you should report to your doctor or health care professional as soon as possible: allergic reactions like skin rash, itching or hives, swelling of the face, lips, or tongue; chest pain; dark urine; fast, irregular heartbeat; feeling faint or lightheaded; falls; fever; muscle pain, weakness; redness, blistering, peeling or loosening of the skin, including inside the mouth; swelling of ankles, legs; trouble passing urine or change in the amount of urine; unusually weak or tired; yellowing of the eyes or skin. Side effects that usually do not require medical attention (report to your doctor or health care professional if they continue or are bothersome): diarrhea; facial flushing; gas; headache; nausea, vomiting; stomach upset or pain.

This list may not describe all possible side effects. Call your doctor for medical advice about side effects. You may report side effects to FDA at 1-800-FDA-1088.
