

FALAK PHARMACY
2730 E.TREMONT AVE , BRONX , NY , 10461
Phone#: 7185975230 Fax#: 7185972886

Drug NDC: 00314-0011-01
Drug Name: A-SPAS-S/L

How should I use this medicine?

Take this medicine by mouth. Follow the directions on the prescription label. These tablets may be placed under the tongue, and allowed to dissolve, swallowed whole, or chewed. Take your doses at regular intervals. Do not take your medicine more often than directed. Talk to your pediatrician regarding the use of this medicine in children. Special care may be needed. While this medicine may be prescribed for children as young as 12 years for selected conditions, precautions do apply.

Overdosage: If you think you have taken too much of this medicine contact a poison control center or emergency room at once. NOTE: This medicine is only for you. Do not share this medicine with others.

Where should I keep my medicine?

Keep out of the reach of children. Store at room temperature between 15 and 30 degrees C (59 and 86 degrees F). Throw away any unused medicine after the expiration date.

NOTE: This sheet is a summary. It may not cover all possible information. If you have questions about this medicine, talk to your doctor, pharmacist, or health care provider.

What side effects may I notice from receiving this medicine?

Side effects that you should report to your doctor or health care professional as soon as possible: anxiety, nervousness, confusion, dizziness or fainting spells, fast heartbeat, fever, pain or difficulty passing urine, unusually weak or tired, vomiting. Side effects that usually do not require medical attention (report to your doctor or health care professional if they continue or are bothersome): altered taste, constipation, nausea.

This list may not describe all possible side effects. Call your doctor for medical advice about side effects. You may report side effects to FDA at 1-800-FDA-1088.
