**Phone#: 7185975230 Fax#: 7185972886**

**Drug NDC: 00574-0147-04**  
**Drug Name: FAMOTIDINE**

**How should I use this medicine?**

Take this medicine by mouth. Follow the directions on the prescription label. Shake the bottle for 5 to 10 seconds. Use a specially marked spoon or container to measure your medicine. Ask your pharmacist if you do not have one. Household spoons are not accurate. If you only take this medicine once a day, take it at bedtime. Take your doses at regular intervals. Do not take your medicine more often than directed.  
Talk to your pediatrician regarding the use of this medicine in children. Special care may be needed.

**Overdosage: If you think you have taken too much of this medicine contact a poison control center or emergency room at once.**  
**NOTE: This medicine is only for you. Do not share this medicine with others.**

**Where should I keep my medicine?**

Keep out of the reach of children.  
Store at room temperature between 15 and 30 degrees C (59 and 86 degrees F). Do not freeze.  
Throw away any unused suspension after thirty days.

**NOTE: This sheet is a summary. It may not cover all possible information. If you have questions about this medicine, talk to your doctor, pharmacist, or health care provider.**

**What side effects may I notice from receiving this medicine?**

Side effects that you should report to your doctor or health care professional as soon as possible:  
agitation, nervousness, confusion, hallucinations, skin rash, itching  
Side effects that usually do not require medical attention (report to your doctor or health care professional if they continue or are bothersome):  
constipation, diarrhea, dizziness, headache

**This list may not describe all possible side effects. Call your doctor for medical advice about side effects. You may report side effects to FDA at 1-800-FDA-1088.**
