2730 E.TREMONT AVE , BRONX , NY , 10461
Phone#: 7185975230 Fax#: 7185972886

Drug NDC: 00603-0843-54
Drug Name: Q-PAP CHILDREN'S

How should I use this medicine?

Take this medicine by mouth. This medicine comes in more than one concentration. Check the concentration on the label before every dose to make sure you are giving the right dose. Follow the directions on the package or prescription label. Shake well before using. Use a specially marked spoon or dropper to measure each dose. Ask your pharmacist if you do not have one. Household spoons are not accurate. Do not take your medicine more often than directed. Talk to your pediatrician regarding the use of this medicine in children. While this drug may be prescribed for children as young as 2 years of age for selected conditions, precautions do apply.

Overdosage: If you think you have taken too much of this medicine contact a poison control center or emergency room at once.
NOTE: This medicine is only for you. Do not share this medicine with others.

Where should I keep my medicine?

Keep out of reach of children. Store at room temperature between 20 and 25 degrees C (68 and 77 degrees F). Protect from moisture and heat. Throw away any unused medicine after the expiration date.

NOTE: This sheet is a summary. It may not cover all possible information. If you have questions about this medicine, talk to your doctor, pharmacist, or health care provider.

What side effects may I notice from receiving this medicine?

Side effects that you should report to your doctor or health care professional as soon as possible: allergic reactions like skin rash, itching or hives, swelling of the face, lips, or tongue; breathing problems; fever or sore throat; redness, blistering, peeling or loosening of the skin, including inside the mouth; trouble passing urine or change in the amount of urine; unusual bleeding or bruising; unusually weak or tired; yellowing of the eyes or skin. Side effects that usually do not require medical attention (report to your doctor or health care professional if they continue or are bothersome): headache; nausea, vomiting

This list may not describe all possible side effects. Call your doctor for medical advice about side effects. You may report side effects to FDA at 1-800-FDA-1088.
