**Drug NDC: 30768-0017-50**  
**Drug Name: B-12**

**How should I use this medicine?**

Take this medicine by mouth with a glass of water. Follow the directions on the package or prescription label. If you are taking the tablets, do not chew, cut, or crush this medicine. If using an vitamin solution, use a specially marked spoon or dropper to measure each dose. Ask your pharmacist if you do not have one. Household spoons are not accurate. For best results take this vitamin with food. Take your medicine at regular intervals. Do not take your medicine more often than directed. Talk to your pediatrician regarding the use of this medicine in children. While this drug may be prescribed for selected conditions, precautions do apply.

**Overdosage: If you think you have taken too much of this medicine contact a poison control center or emergency room at once.**  
**NOTE: This medicine is only for you. Do not share this medicine with others.**

**Where should I keep my medicine?**

Keep out of the reach of children. Store at room temperature between 15 and 30 degrees C (59 and 85 degrees F). Protect from heat and light. Throw away any unused medicine after the expiration date.

**NOTE: This sheet is a summary. It may not cover all possible information. If you have questions about this medicine, talk to your doctor, pharmacist, or health care provider.**

**What side effects may I notice from receiving this medicine?**

Side effects that you should report to your doctor or health care professional as soon as possible:  
allergic reactions like skin rash, itching or hives, swelling of the face, lips, or tongue  
breathing problems  
chest pain, tightness  
Side effects that usually do not require medical attention (report to your doctor or health care professional if they continue or are bothersome):  
diarrhea

**This list may not describe all possible side effects. Call your doctor for medical advice about side effects. You may report side effects to FDA at 1-800-FDA-1088.**
