**2730 E.TREMONT AVE , BRONX , NY , 10461**  
**Phone#: 7185975230 Fax#: 7185972886**

**Drug NDC:** 50991-0579-01  
**Drug Name:** IBUDONE

**How should I use this medicine?**

Take this medicine by mouth with a full glass of water. Follow the directions on the prescription label. You can take it with or without food. If it upsets your stomach, take it with food. Try to not lie down for at least 10 minutes after you take the medicine. Take your medicine at regular intervals. Do not take it more often than directed.  
A special MedGuide will be given to you by the pharmacist with each prescription and refill. Be sure to read this information carefully each time.  
Talk to your pediatrician regarding the use of this medicine in children. While this drug may be prescribed for children as young as 16 years of age for selected conditions, precautions do apply.

**Overdosage: If you think you have taken too much of this medicine contact a poison control center or emergency room at once.**  
**NOTE: This medicine is only for you. Do not share this medicine with others.**

**Where should I keep my medicine?**

Keep out of the reach of children. This medicine can be abused. Keep your medicine in a safe place to protect it from theft. Do not share this medicine with anyone. Selling or giving away this medicine is dangerous and against the law.  
Store at room temperature between 15 and 30 degrees C (59 and 86 degrees F).  
This medicine may cause harm and death if it is taken by other adults, children, or pets. Return medicine that has not been used to an official disposal site. Contact the DEA at 1-800-882-9539 or your city/county government to find a site. If you cannot return the medicine, flush it down the toilet. Do not use the medicine after the expiration date.

**NOTE: This sheet is a summary. It may not cover all possible information. If you have questions about this medicine, talk to your doctor, pharmacist, or health care provider.**

**What side effects may I notice from receiving this medicine?**
