Phone#: 7185975230 Fax#: 7185972886

Drug NDC: 68308-0526-60
Drug Name: D-TANN

How should I use this medicine?

Take this medicine by mouth. Chew it completely before swallowing. Follow the directions on the prescription label. Take your medicine at regular intervals. Do not take it often than directed. Talk to your pediatrician regarding the use of this medicine in children. While this drug may be prescribed for children as young as 6 years old for selected conditions, precautions do apply. Patients over 65 years old may have a stronger reaction and need a smaller dose.

Overdosage: If you think you have taken too much of this medicine contact a poison control center or emergency room at once. NOTE: This medicine is only for you. Do not share this medicine with others.

Where should I keep my medicine?

Keep out of the reach of children. Store at room temperature between 15 and 30 degrees C (59 and 86 degrees F). Keep medicine bottle closed tightly. Throw away any unused medicine after the expiration date.

NOTE: This sheet is a summary. It may not cover all possible information. If you have questions about this medicine, talk to your doctor, pharmacist, or health care provider.

What side effects may I notice from receiving this medicine?

Side effects that you should report to your doctor or health care professional as soon as possible: allergic reactions like skin rash, itching or hives, swelling of the face, lips, or tongue; anxiety, nervous, or restless; breathing problems; changes in blood pressure; changes in vision; fast, irregular heartbeat; problems with balance, talking, or walking; seizure; trouble passing urine or change in the amount of urine; unusual bleeding or bruising; unusually weak or tired; Side effects that usually do not require medical attention (report to your doctor or health care professional if they continue or are bothersome): dry eyes or mouth; headache; nausea, vomiting; stomach upset; trouble sleeping

This list may not describe all possible side effects. Call your doctor for medical advice about side effects. You may report side effects to FDA at 1-800-FDA-1088.
